## What is it???

The Holiday Craft Fair is an opportunity for your troop to make some money for their activities AND a great opportunity for EVERYONE to come out and purchase some items for themselves and as holiday gifts.

Any troop that is interested in SELLING items needs to reserve a table, fill out a B250 (Troop Money Earning Form) form and submit it and then decide what you want to sell and get crafting. Troops can have a great time creating fun things to sell and have even more fun selling it.

If you do NOT want to sell, please encourage your girls to come out and shop at the craft fair. Items usually range from under \$1 to about \$5 depending on the item.

Please indicate on the sign up sheet what craft you are planning to sell, to avoid duplicates.

Please submit reservations/craft sale requests to:

Due November 15, 2010

Troop 2106 will be selling baked goods at the craft fair.
