

# Spreading the Bread

**What:** Spreading the Bread is a church-sponsored mission opportunity serving the local homeless by providing meals and God's love. We believe that relationships are key and the food is our avenue for growing them.

**When:** Year-round on Sunday we prepare a hot meal for the local homeless population.

**How can you help?:** We always need help in preparation and prayer and if you are over 18 we would love for you to come serve with us near the PRTC Terminal. If you can prepare a dish or donate for a meal, please contact us.

**This mission depends on the generosity of our loving congregation through food, money and prayer.**
